Steel wire base  
 Leather  
 Slides away under the leather low armchair  
 Available colours: see limited colour chart

5 kg

The Surprising leather is a very strong, full-grain leather that will last incredibly well over the years. The leather undergoes vegetable tanning, a natural, environmentally friendly process, before being solution-dyed to ensure a clean rear surface and coloured edges, indicating excellent quality. A Scotchgard finish confers impermeability and protects the leather against stains and ageing

SURPRISING, PIPOLINO & MOOONI!
